

BOOK DISTRIBUTOR'S INAUGURAL WAREHOUSE COUNT

Case Study: Warehouse – Book Distributor

A book distributor needed support from RGIS to perform a **warehouse inventory to identify total stock levels**

BOOK DISTRIBUTOR'S INAUGURAL WAREHOUSE COUNT

Case Study: Warehouse – Book Distributor

A book distributor situated in Brazil required the support of RGIS. The book distributor stock a wide range of books from Animals and Anthropology to Tourism and Umbanda.

REQUIREMENT

The book distributor needed to perform a **warehouse inventory to update current stock quantities**, so required RGIS to provide the following:

- Complete a **full stock count** of the warehouse
- **No disruption** to business
- **Accurate reporting** to be provided

SOLUTION

The book distributor partnered with RGIS to complete the **wall-to-wall warehouse book count project**, and RGIS provided the following:

- Scheduled a team of **20 experienced RGIS auditors**
- **Organised** two 8-hour shifts to complete the count outside working hours
- All books in the warehouse were **counted by barcode**
- Where the barcode was not registered on the system, it was subsequently added

RESULTS

The book distributor found by outsourcing the **wall-to-wall warehouse book count project** to RGIS, the following results were achieved:

- Accurately counted just under **170,000 items**
- All stock quantities were **accurately updated on the customer's system, including financial values**
- The customer was very satisfied with the **accuracy of the counts**, it being the first inventory they had had completed

By partnering with RGIS, the book distributor had all **stock accurately counted** within the warehouse and are now confident with **up-to-date stock records**
